USF's parking garages, especially Beard Garage and Laurel Garage, typically have parking available and offer regular, convenient Bull Runner service to stops across campus. Lots 18B and 18T, located off Sycamore Drive, also have parking available and serve as good options for those who typically park in the Yuengling Center lots. Additionally, after 5:30 pm and on weekends, cars with valid USF parking permits with the exception of Park-N-Ride permits may park out of their designated areas, excluding Resident and Reserved parking spaces.
