USF Police & Mission BBQ Tampa

Tampa, FL – USF Police Department (PD) is grateful for the outpouring of support from Mission BBQ, 13612 Bruce B. Downs Blvd, Tampa. They are a staunch supporter of USF's Police Department and right now they are selling blue Hometown Hero Cups at the restaurant. All of the proceeds from the sale of the cups will go to both USF PD and the Tampa Police Benevolent Association (PBA). The campaign started in early February and continues through March 31, 2018. This is the second year in a row Mission BBQ has donated proceeds from the sale of the Hometown Hero Cups. A check presentation will be scheduled in April.

Chief Chris Daniel stopped by during one of their morning huddles to share the mission of USF PD which is *"to protect life and property, while seeking to identify community problems and appropriate solutions to those problems, and to improve the quality of life in this community through crime deterrence and enforcement."*
