Overview

Outcome Measures Overview

Welcome to the IPEDS Outcome Measures (OM) survey component. The OM component collects award and enrollment data from degree-granting institutions on four undergraduate cohorts at two points in time: six-year and eight-year.

The four cohorts of degree/certificate-seeking undergraduates are:
- Full-time, first-time
- Part-time, first-time
- Full-time, non-first-time
- Part-time, non-first-time

Updates:

Because this is the first year of OM data collection, IPEDS will ask for an estimated time it took you to complete the OM survey component. Include in that estimate the time to review instructions, research data sources, complete and review the component, and submit the data.

Data Reporting Reminders:

All reporting institutions will report on an entering cohort year: 2007

Six-year status will be as of August 31, 2013

Eight-year status will be as of August 31, 2015

Reporting Tips:
- Follow directions on who to include and exclude in your cohorts. Inclusion and exclusion directions are similar to Graduation Rates.
- As a new survey component, carefully read each OM FAQ before reporting your institution's data.

Coverage:

For academic year reporters (standard academic terms - semesters, trimesters, quarters, or 4-1-4 plan), institutions will report using a fall cohort. Institutions may either use October 15, 2007 or the institution's official fall reporting date.

For program and hybrid reporters (not on standard academic terms), institutions will report using a full-year cohort. Institutions will report during the period between September 1, 2007 and August 31, 2008.
