To revert to a previous version of the page:

1. From the Versions screen, hover over the row for the version and click Revert.

2. The confirmation dialog is shown.
3. Click **Revert**.
4. A success message shows to which version the page was reverted.

Keep in mind that when a page is reverted, it is reverted only on the Staging Server. The page must be published in order for the changes to appear on the live site.
